ROLFHARTGE

SMART LUXURY

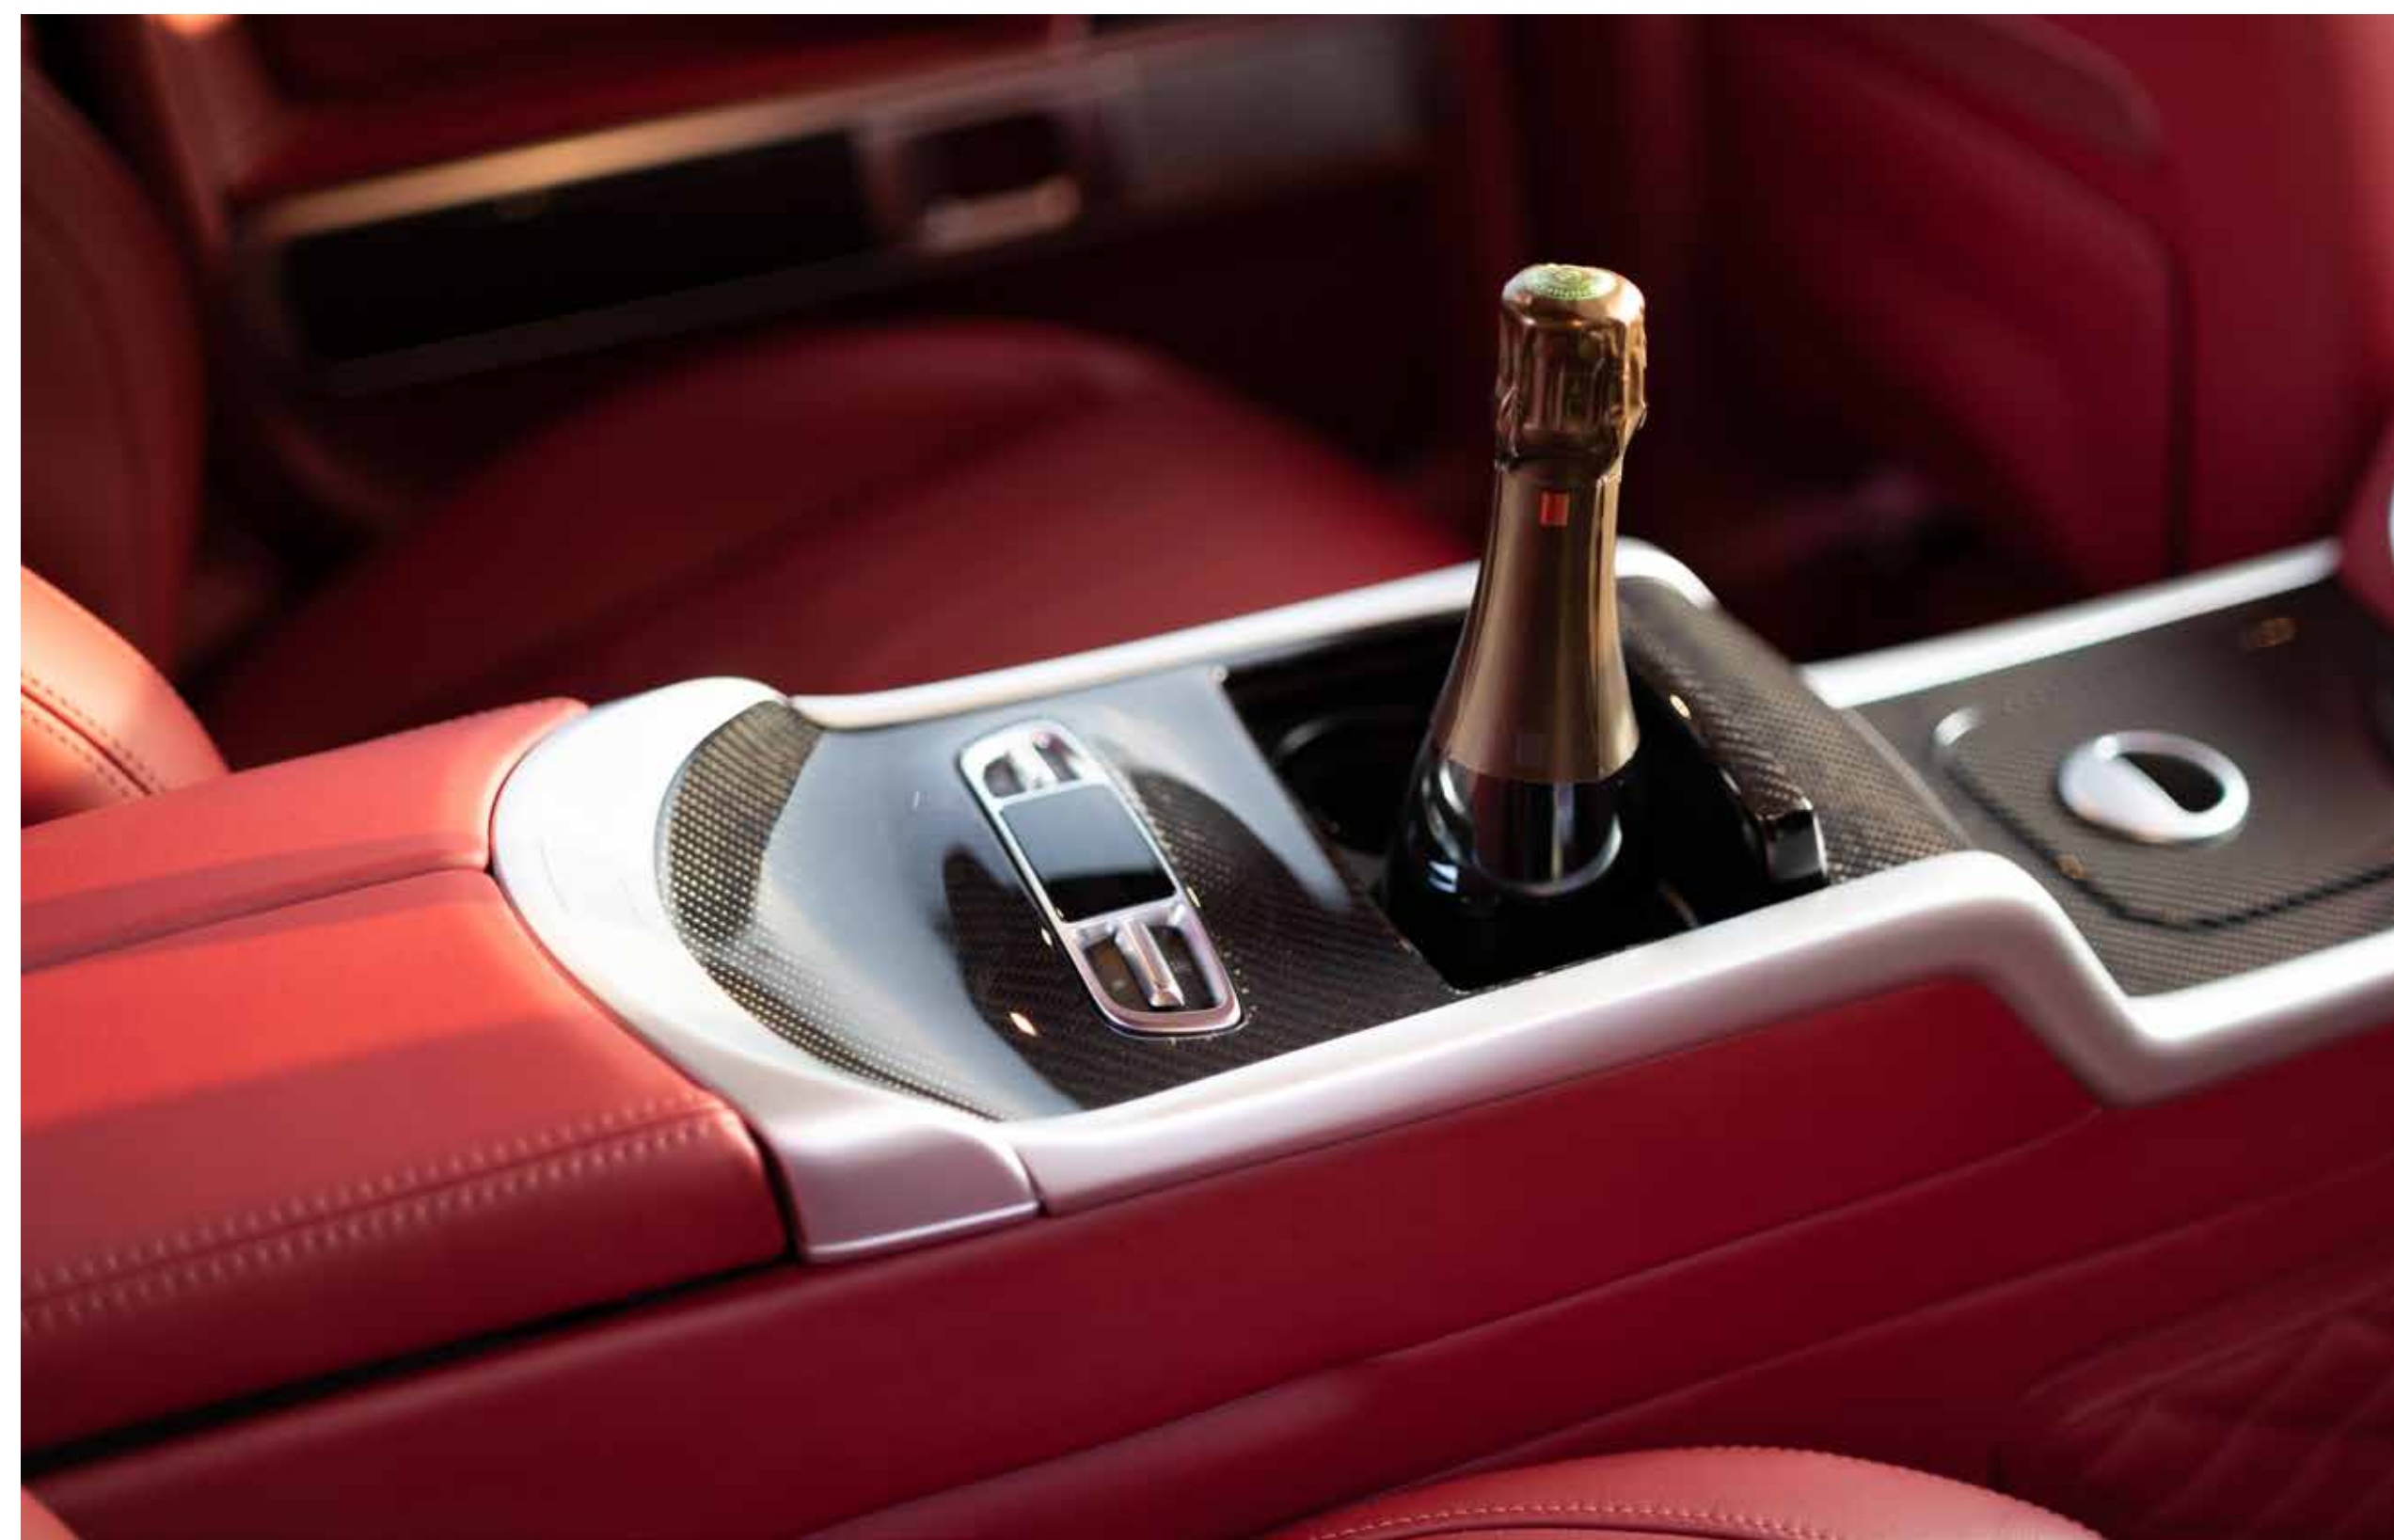

When luxury is not an end in itself, but brings real and innovative additional benefits, smart luxury is born.

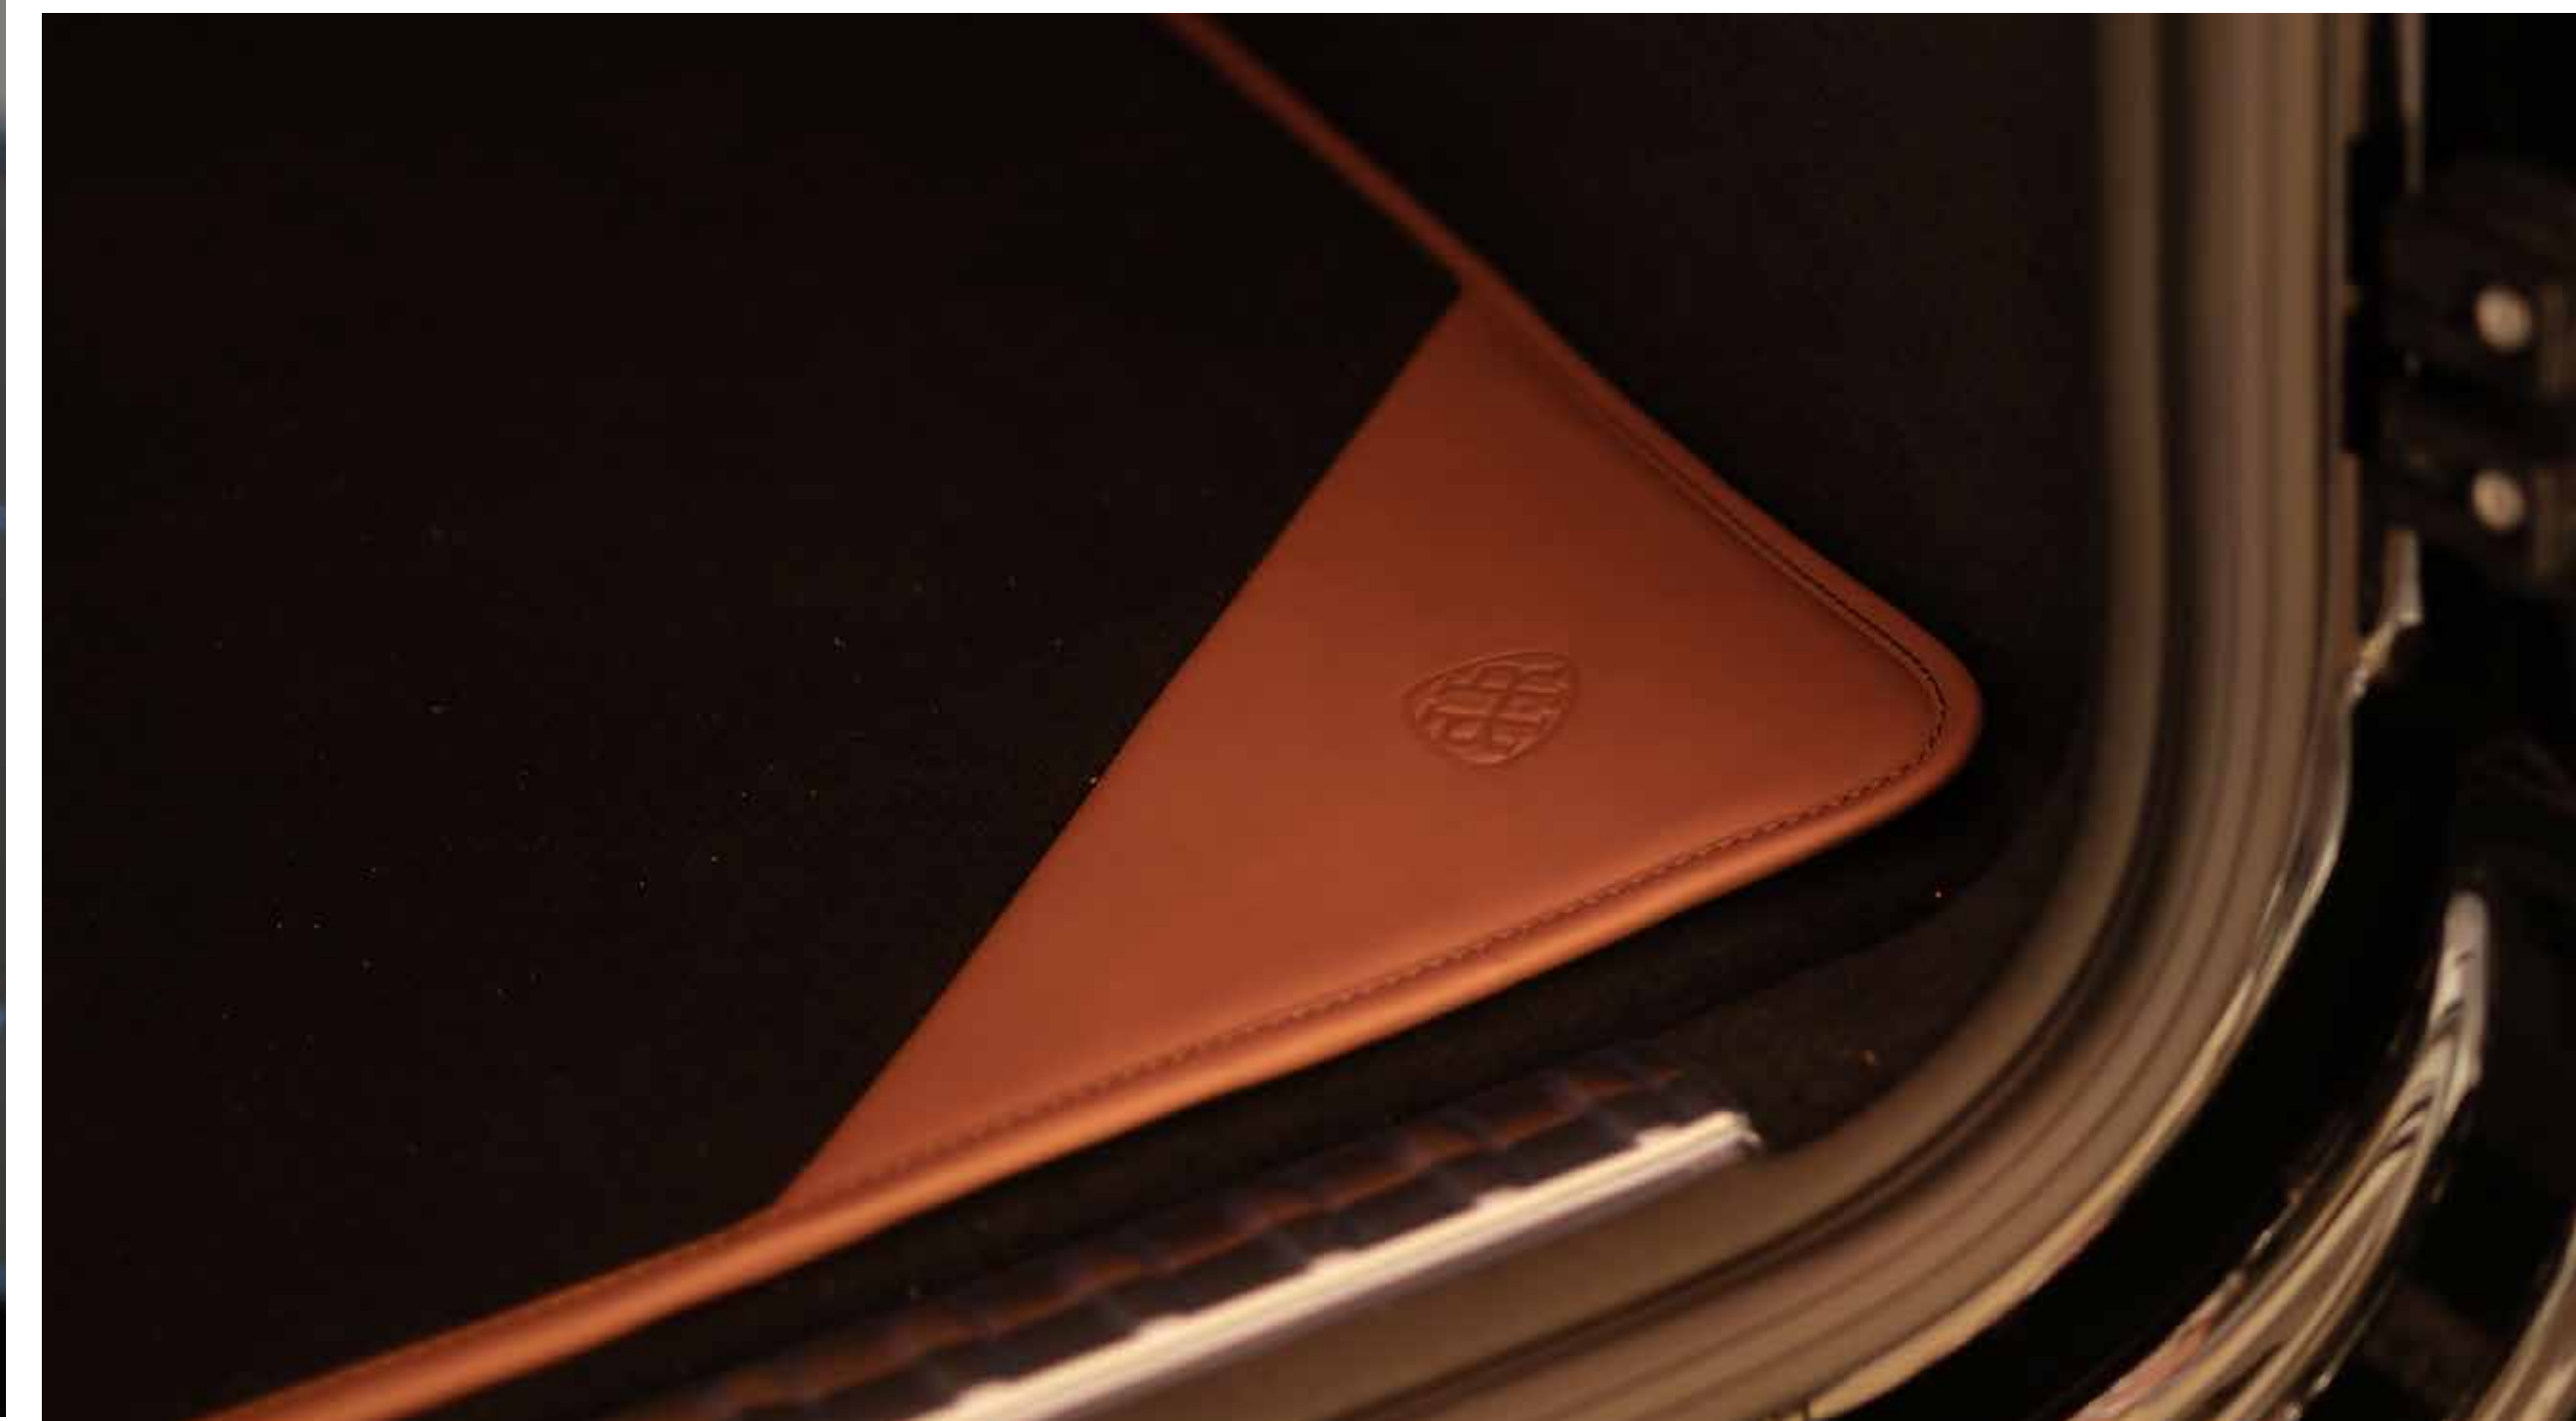

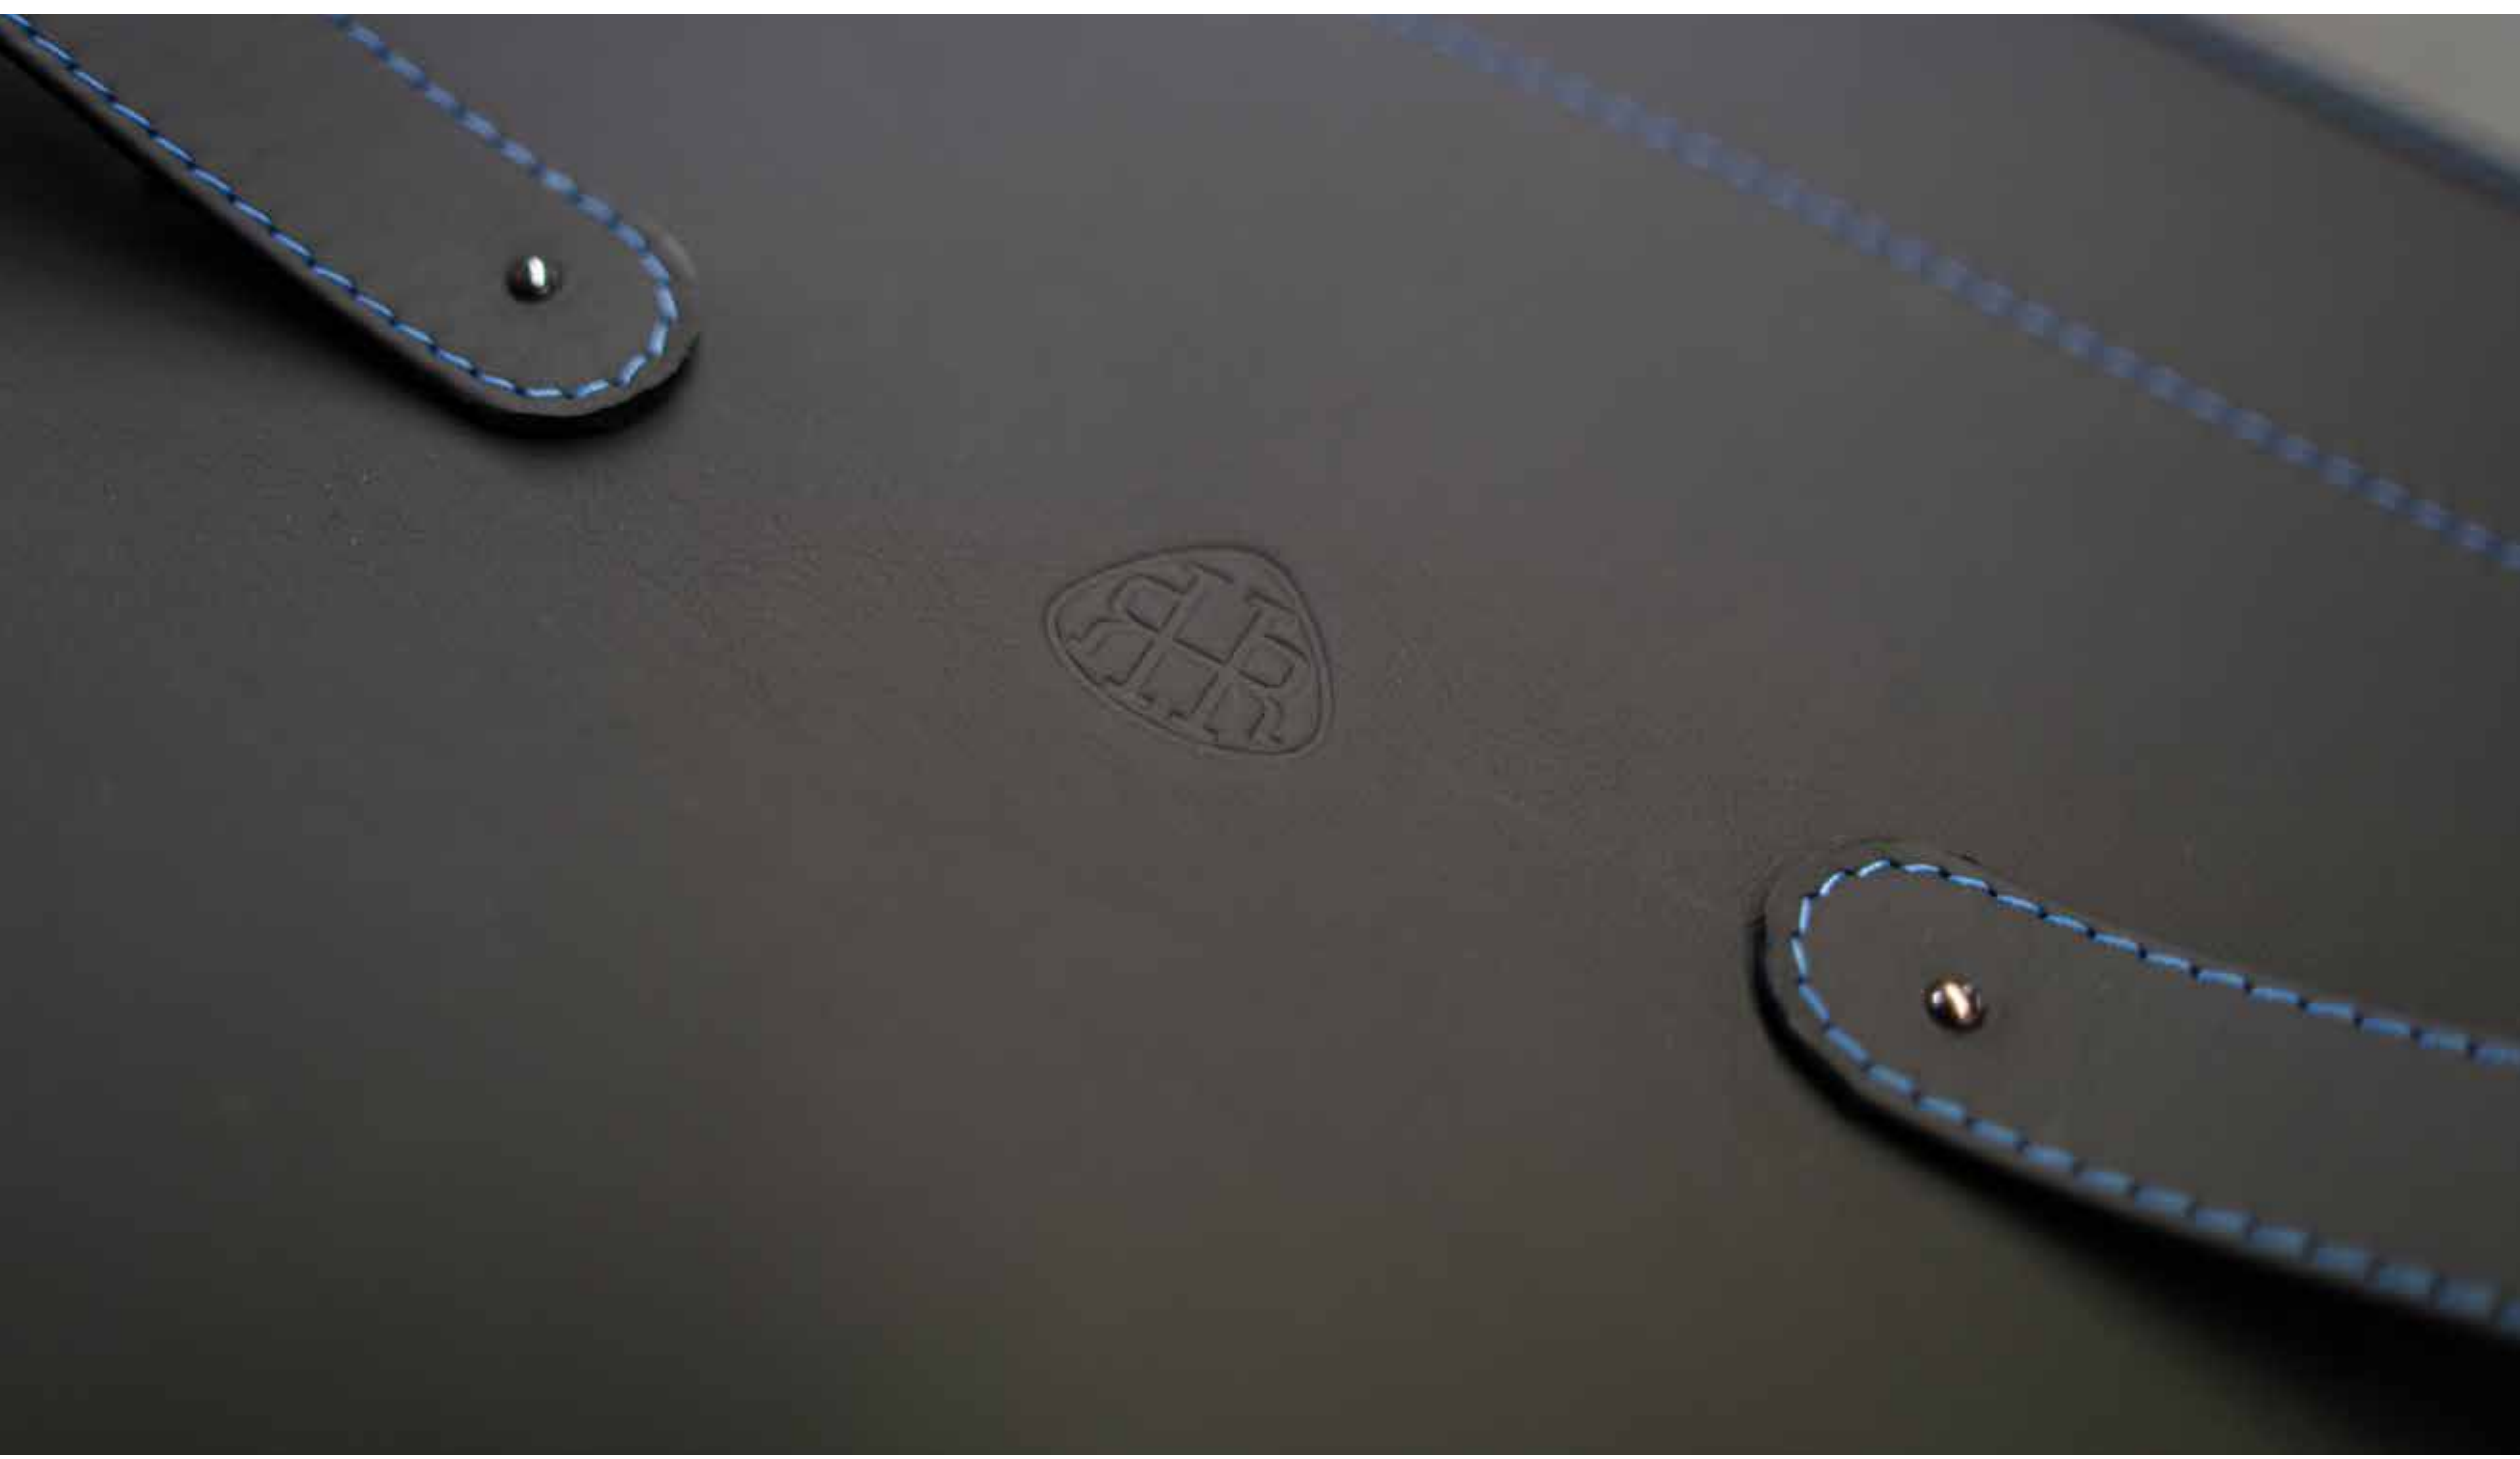

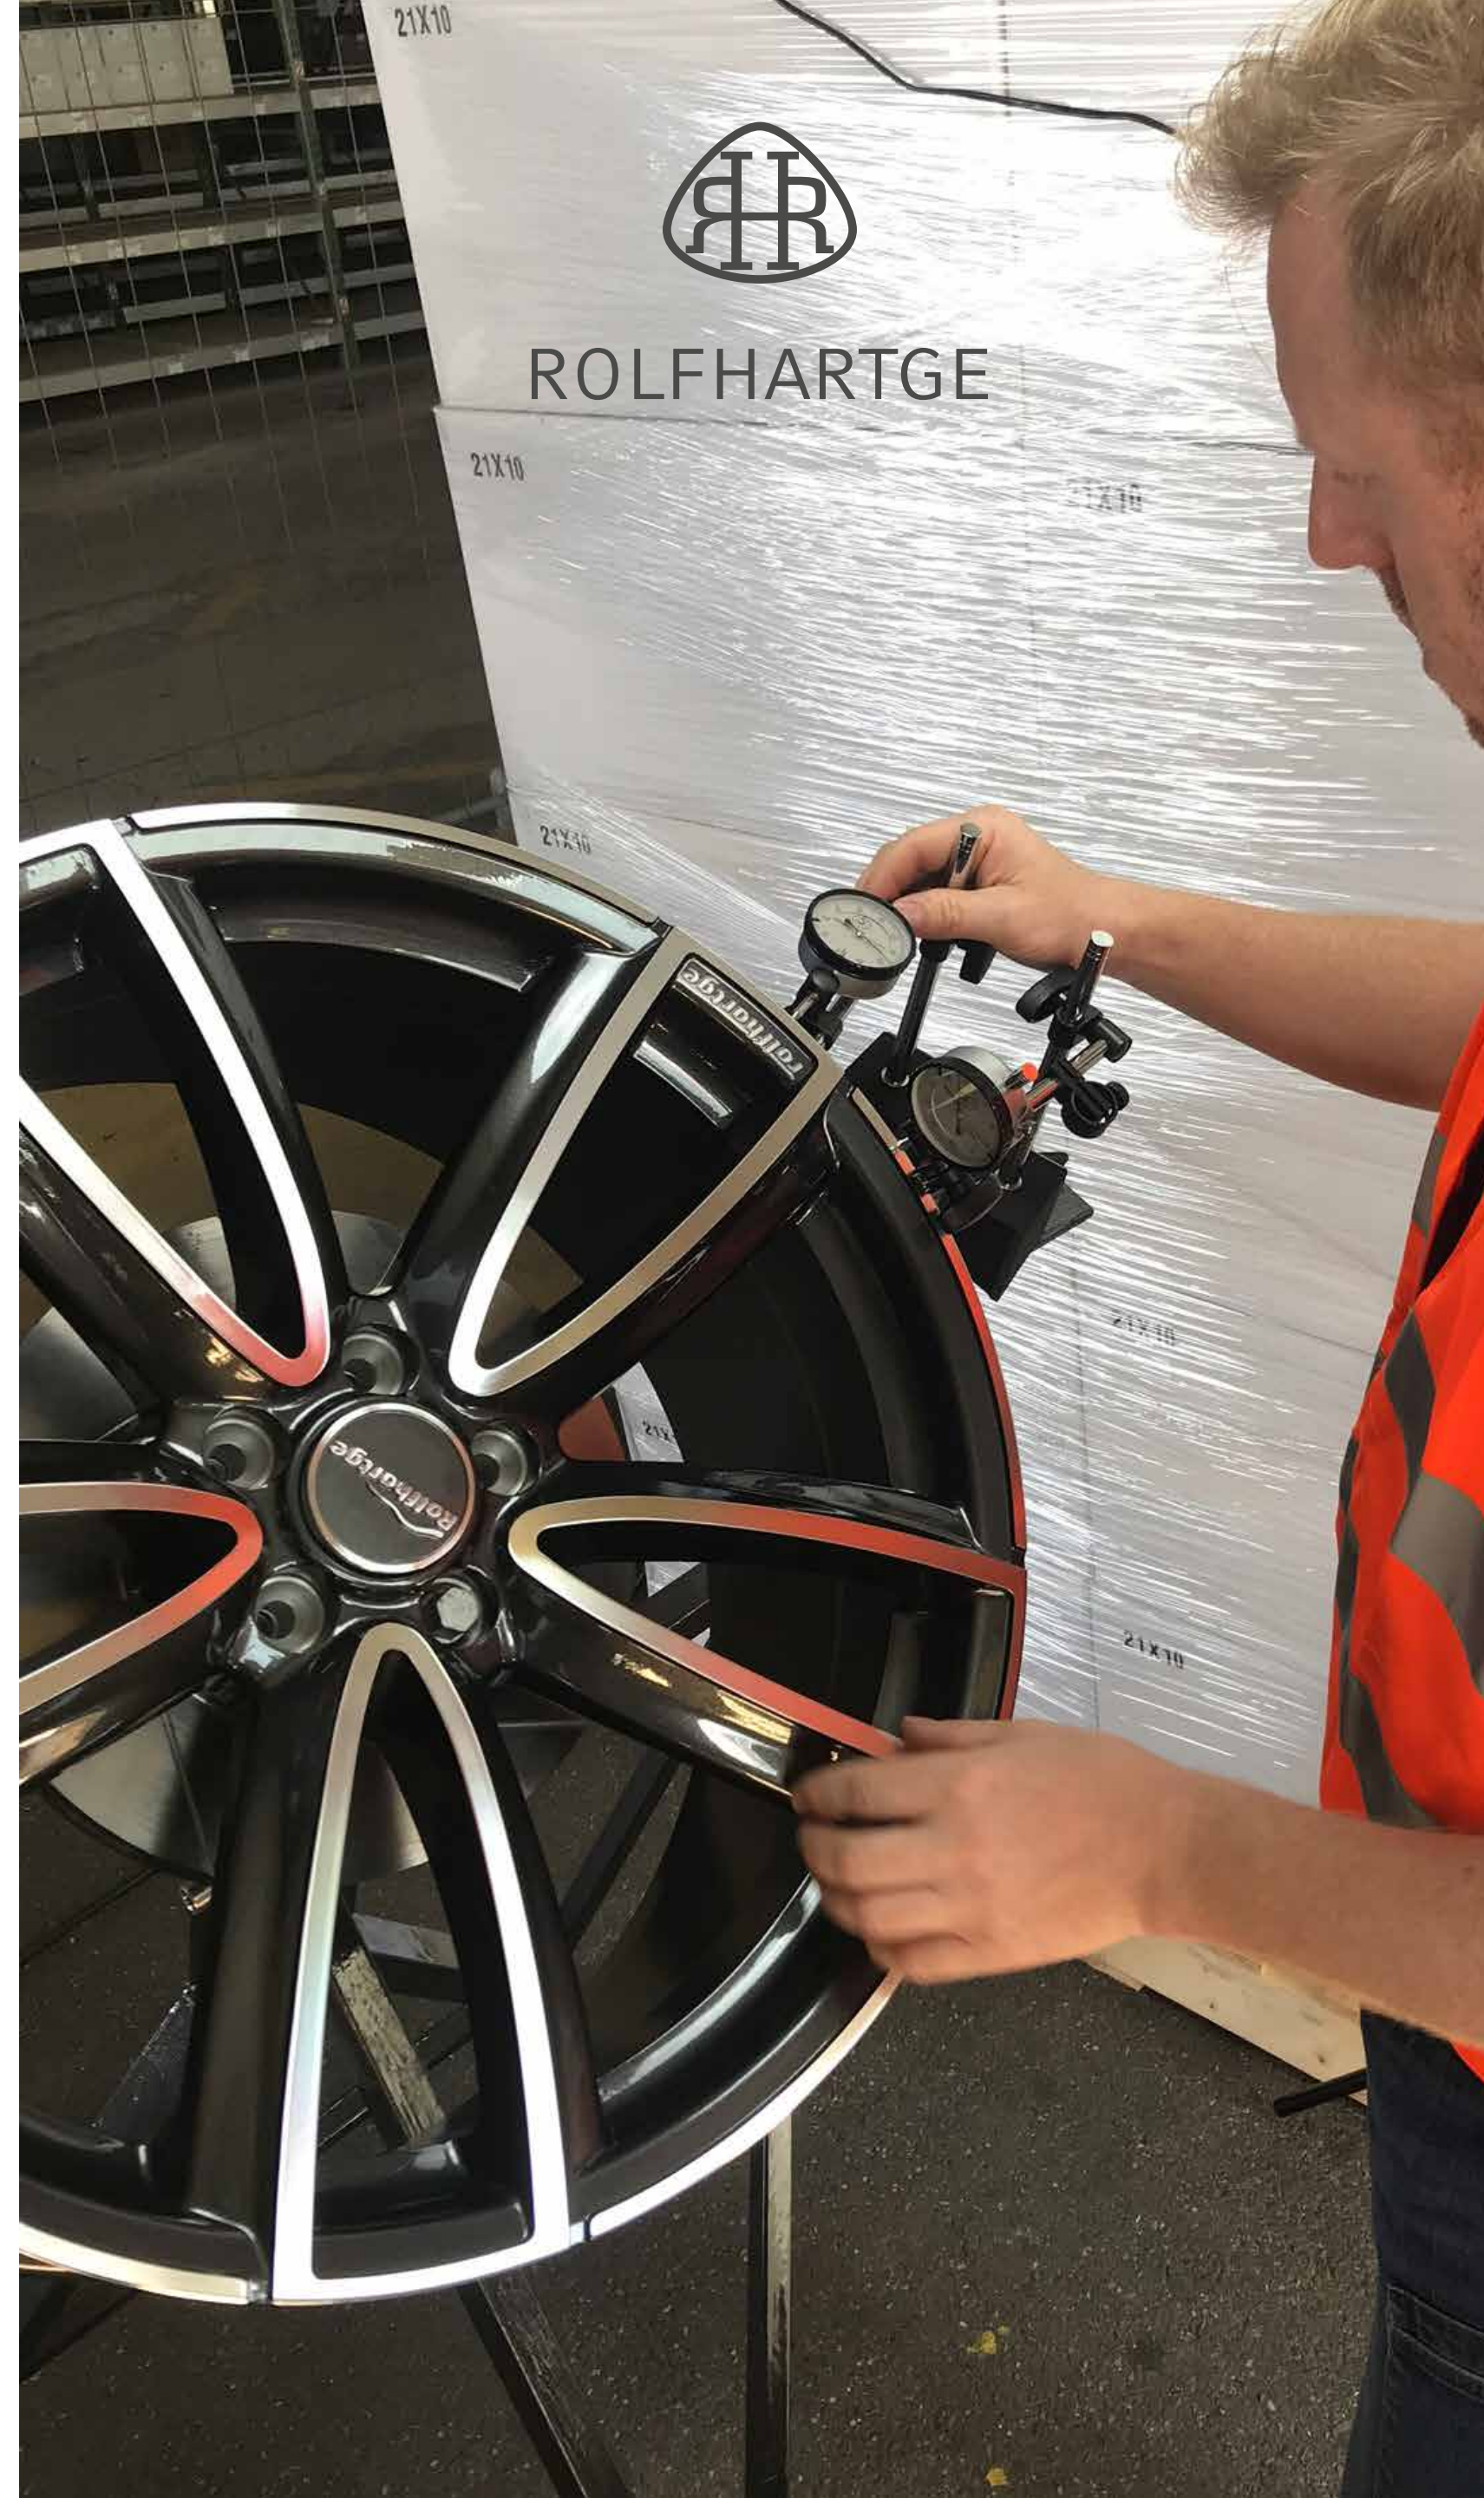

ROLFHARTGE

HANDCRAFTED WITH PASSION

Rolfhartge automobiles are the expression of a passion - built by people who understand their craftsmanship and loved by people who cherish the exceptional.

ROLFHARTGE

FOR HIGHEST DEMANDS

The high quality standards that Rolfhartge defines for its work also apply to the selection of materials.

AeroVan – OUR PROGRESS IS GREEN

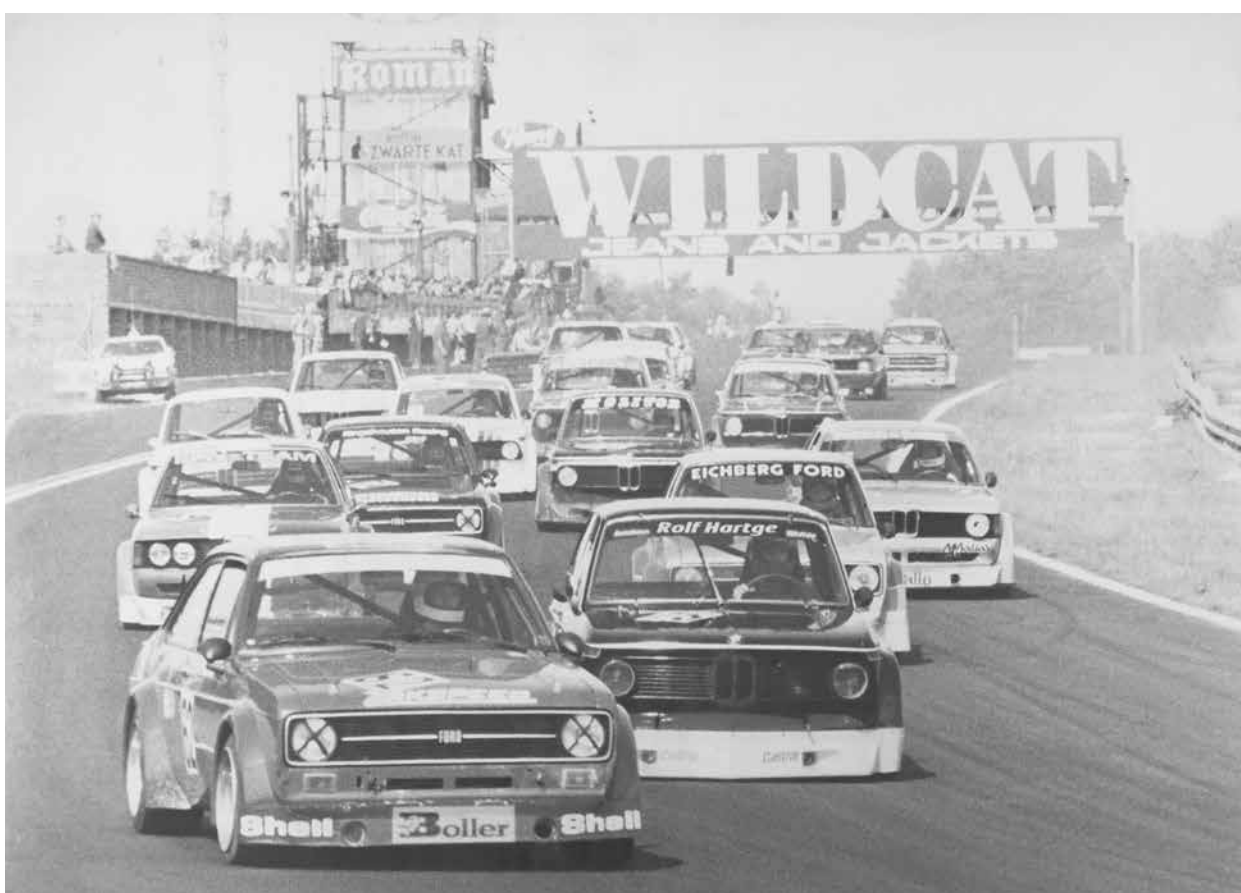

The wind tunnel measurements of the AeroVan 1:5 model have revealed the best value of $c_w = 0.20$. This result corresponds to the value of the current aerodynamics world champion Mercedes-Benz EQS – energy instead of fuel consumption.
